OUR BESPOKE KITCHENS

KITCHEN DESIGN SERVICE

Buying a new kitchen can be a daunting task. There are many special offers and huge variations in price, quality and service. We try to make things simple by offering you a visual of your new kitchen with our free design service. We will show you 3D drawings and photo realistic images of the proposed design because we think its always advisable to see your new kitchen in the style and finish of your choice before you actually buy it.

Development Kitchens

Specialist and experienced design team available to work with you, delivering your project on time and within budget

Trade Kitchens

Free kitchen survey and design services available to the trade including 3D visuals. Call 01273 420364

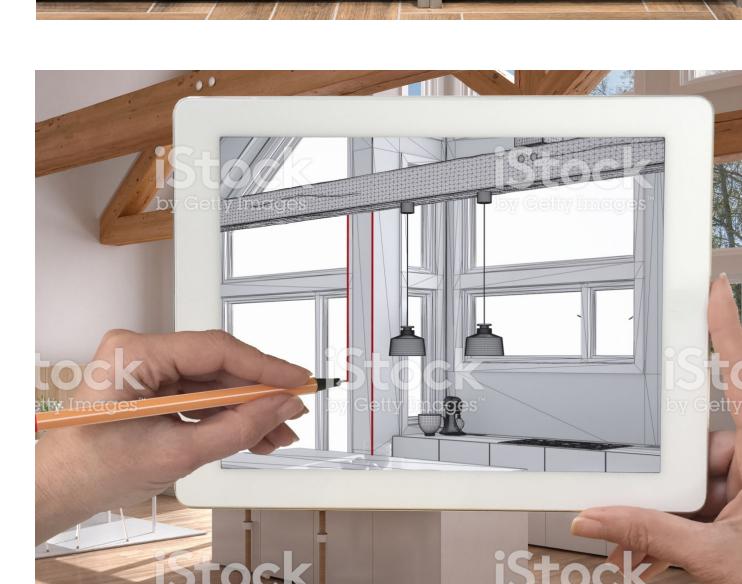

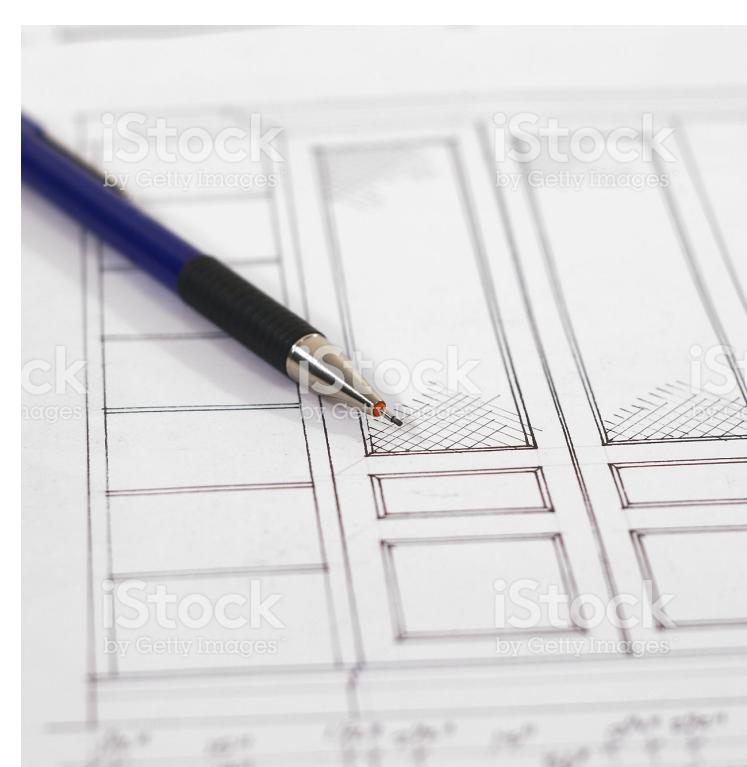

Contract Kitchens

For the larger contractor, we are able to offer a tailored solution to meet your exact specifications on any development

OUR SHOWROOMS

Our main kitchen showroom is in Brighton where you can discuss your options with our designers. We can show you plenty of projects we've worked on. We've designed kitchens from small bedits to large housing developments & luxury homes. Our extensive range includes both contemporary & traditional kitchens; all are competitively priced so we can work with you whether you're looking for low budget or high end designer style. We also have smaller kitchen showrooms at our Petworth and Chertsey branches where you can pick up a brochure detailing our full range.

FITTING SERVICE

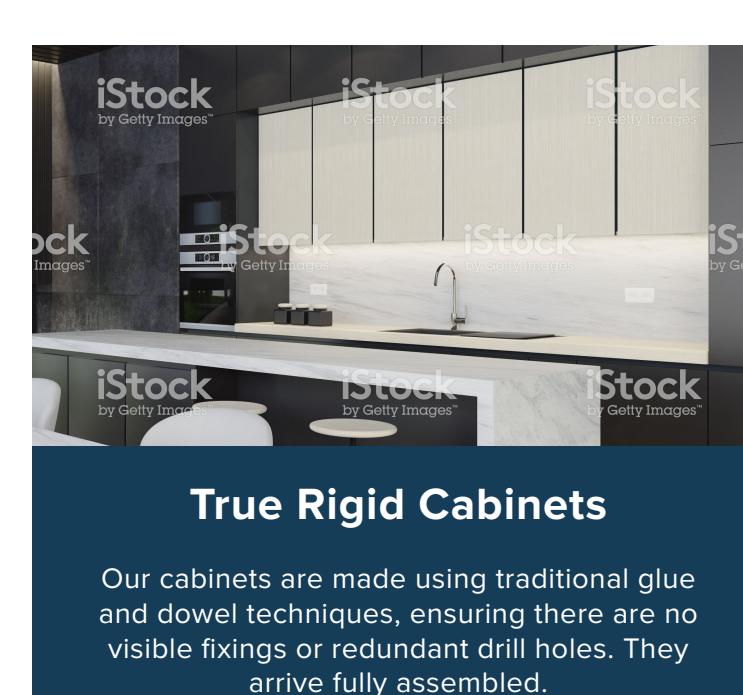

To get the very best from your new kitchen, Chandlers can fit it for you too. We offer a dry fit installation service, which includes worktop fitting. By choosing us to install your kitchen we will fully project manage the installation, carried out by our experienced fitters. The work is not complete until the kitchen is signed off to your satisfaction.

Our dry fit installation includes the installation of all units, trims, panels, appliances, worktops and splashbacks. You will only need to arrange plumbing, electrical connections and decoration. The fitting service is available for any number of kitchens from 1 to 100.

A KITCHEN DESIGNED JUST FOR YOU

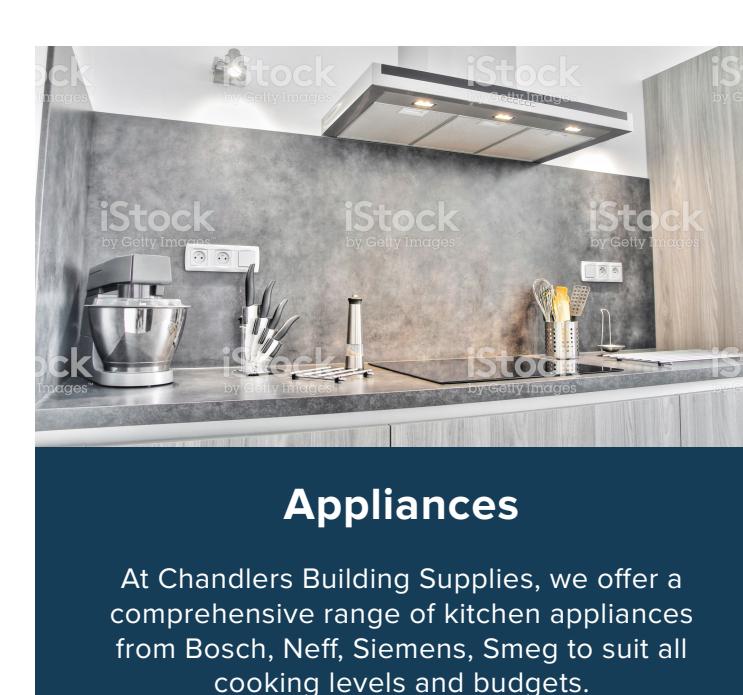

Using our designers will help you to get the absolute maximum from your space. Our experience and expertise enables us to not only see the simple ideas but come up with some innovative ones too. Whether we visit you on site or you visit the showroom, we have a full range of samples and offer a complete site measurement service also.

All our units have soft close doors and drawers as standard and, we offer a competitively priced modification service for the creation of bespoke size units. We work to your time scales, you can expect delivery 3 weeks from placing your order (painted kitchens carry a 4 week lead time).

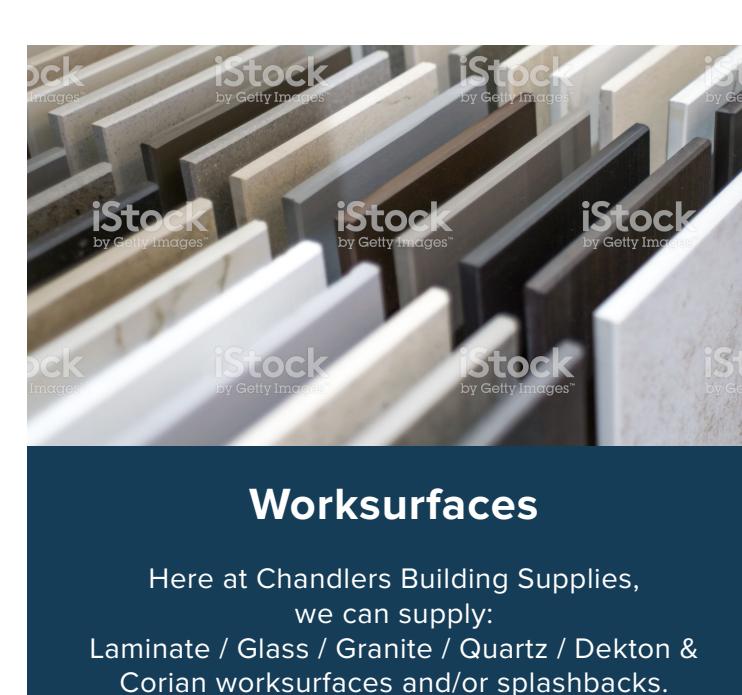

True Rigid Cabinets

Our cabinets are made using traditional glue and dowel techniques, ensuring there are no visible fixings or redundant drill holes. They arrive fully assembled.

Appliances

At Chandlers Building Supplies, we offer a comprehensive range of kitchen appliances from Bosch, Neff, Siemens, Smeg to suit all cooking levels and budgets.

Worksurfaces

Here at Chandlers Building Supplies, we can supply: Laminate / Glass / Granite / Quartz / Dekton & Corian worksurfaces and/or splashbacks.
